

Application Form

2024 Future Foresters Leadership Committee

Name _____

Where do you work? _____

What's your job? _____

Email address (personal and work if possible) _____

Phone number _____

What position are you applying for? (details on roles in letter below)

- Executive Committee
- Regional Leader

Why are you keen on being involved in Future Foresters?

What do you bring to the table as a member of the Future Foresters Committee?

We're taking on new leaders in Future Foresters

Future Foresters (NZ) have opened up our annual applications for Leadership Team positions! The Leadership team includes three Executive Committee positions open (2 year term) as well as new **Regional Leaders** throughout the country (1 year term with ability to reapply).

Who are we?

Future Foresters, as a special interest group under the NZIF, is a group of young foresters who aim to create a forestry community. We do this by connecting young foresters throughout the country, promoting our sector's benefits and career opportunities, providing a network and voice for young/new foresters, providing professional development opportunities, and linking new and experienced foresters.

What is the role of a Regional Leader?

The role of a Regional Leader involves growing and maintaining a regional network of other foresters. Your role will involve organising events, getting involved with industry groups by representing Future Foresters, and helping with other Future Foresters projects.

What is the role of an Executive Committee position?

Executive Committee positions involve the overall running of Future Foresters nationally with the two other executive committee members. Your role will involve managing finances, managing projects, writing funding applications, developing our strategy, coordinating national events, and engaging with industry at a national level as a Future Forester.

What is the time commitment?

These roles are voluntary. The time commitment involves a monthly one hour online team meeting, two in-person planning meetings & team building events (usually in Wellington or Christchurch), and time spent on event planning, or project involvement, etc.

Why apply?

If you're a new or young forester interested in being a leader and community builder with Future Foresters then we would love for you to join the team. This is an opportunity to meet new foresters across the country, gain experience working with industry as an advocacy group, and strengthen the voice of young foresters in the industry. If you're interested, please email applications to admin@nzif.org.nz. Please note that you are able to apply for Regional Leader and/or Executive Committee in the same application form.

Please share amongst your own companies and networks as this is an awesome opportunity for our young foresters all around Aotearoa! If you've got any questions, email us (info@futureforesters.com) or message us on Facebook (<https://www.facebook.com/FutureForestersNZ>) or Instagram (<https://www.instagram.com/futureforesters/?hl=en>).

Applications close **31st May 2024** and positions will be **filled by 30th June for a 1st July** start for the new Future Foresters Leadership Team.
